

Construction Commencement Notice

Township of King 2023 Gravel Road Conversion Program (2023-T05) - 18th Sideroad

The Township of King's 2023 Gravel Road Conversion Program has been awarded to Lisbon Paving Co. Limited and the Contractor is scheduled to start construction activities **Tuesday, October 11, 2023**, weather permitting. The first phase of the project is anticipated to be completed by Friday, December 1, 2023 (up to base course asphalt).

The Work

The work will involve the following - road scarification, paving (base and top course asphalt), localized culvert replacement, drainage improvements and roadside safety upgrades. Base course asphalt will be placed in 2023, followed by top course asphalt in 2024.

Site Location (illustrated on the attached map)

- 18th Sideroad from Jane Street westerly to the dead-end

Disruptions

Access for residents/businesses will be maintained with a minimum of one lane of through traffic open at all times. A follow-up hand-delivered notice for each road segment will be supplied for advanced notice of the paving operations once the timing of this work has been confirmed.

Access for Emergency Services, Student Transportation Services, Waste Collection, and Postal Services will all be maintained at all times. Road rehabilitation notification signs will be installed and maintained throughout the project.
