

Join us! Focus Group & Open House Invitation

You are invited to a Focus Group Meeting and Community Open House for the Doctors Lane and Old King Road Neighbourhood Plans

The Township of King has initiated the Doctors Lane and Old King Road Neighbourhood Plan Study. Join us at the Focus Group Meeting and Open House to learn about the Study and share your vision for the future of these important areas.

EVENT DETAILS – OLD KING ROAD

Join us for an afternoon of brainstorming and discussing the future of this important area. These in-person events will take place in the Program Room at the Dr. William Lacey Nobleton Community Hall and Arena on Tuesday April 16, 2024. Your input is valuable, so come ready to share your thoughts and contribute to the development of the future of the Study Area.

There is a **Focus Group Meeting** and **Community Open House** scheduled for each Neighbourhood Plan Area. Register to attend the Focus Group Meeting using the link below, or drop-in at the Open House to engage with the project team, learn more about the project, provide input on the vision and guiding principles and to review preliminary constraints and opportunities for the Study Area.

The **Focus Group Meeting** will involve interactive activities to confirm the draft vision and principles that will set the course for the development of the Neighbourhood Plan for Old King Road. The Meeting will include a **walking tour** to present key context, issues and opportunities, so come prepared to explore the neighbourhood and take a closer look at the existing land uses and character of the community.

OLD KING ROAD

 Tuesday April 16, 2024
